

The Annual Linguistics Quiz Night

Date: Thursday, 26 November 2009

**Location: Ranch Hotel Epping, 108 Herring Rd,
Corner of Herring and Epping Roads**

Time: 6 pm onwards

The quiz is a mixture of language-related questions and more traditional trivia questions.

It is presented by the Applied Linguistics and Language in Education Research Centre of Macquarie University and is hosted by David Hall.

Teams of five will be formed on the night, and we will try to have a mixture of nationalities and specialisations on each table. No worries if you suspect you know nothing about Linguistics – just join a table with people who look as if they know what they're doing.

There is no entrance fee. The bar will be open from 6 p.m. for our exclusive use, and the quiz itself will start around 7 p.m. The bar will remain open for our use until 11 p.m.

No food will be served, but the Ranch restaurant is right next door.

The Ranch is on the corner of Herring Road and Epping Road, opposite the Stamford Hotel. It's just a short walk up Herring Road from Macquarie University Railway Station.

All staff and students welcome.
