WEEKEND FULL-DAY WORKSHOPS

This semester, along with the individual workshops described above, we are offering the option of attending a full-day workshop on postgraduate academic literacy.

These full-day workshops will be **a focused day addressing a combination of topics** that are discussed in the weekday sessions. They will provide an overview of various academic literacy topics but are not designed to cover ALL areas addressed during the weekday workshops.

Academic Literacy Full-Day Workshops	
Saturday 20 August	10am – 4pm
Saturday 27 August	10am – 4pm

Registration in these weekend sessions requires your commitment for the FULL day.

Students are welcome to attend both weekday and weekend sessions, but due to restricted places available, students will only be able to attend **ONE** of the two weekend sessions, which will be identical in content.

IMPORTANT

Information regarding workshops that you have registered in will be sent to your MQ student email address only.
When you register, please make sure that you have entered your MQ student email address correctly
